[Starting point configuration determination for complex configurable systems - all 4 versions »](#)

DP Arnfield, LA Hurst Jr, DJ Wingard - US Patent 7,139,906, 2006 - Google Patents

 ... In order to change the feature content or to ... the customer may relocate components (eg swap components from ... Part - ners in support of **Manufacturing**, Sales, and ...

[Related Articles](#) - [Web Search](#)
[Loop layout design problem in flexible **manufacturing** systems using genetic algorithms - all 4 versions »](#)

R Cheng, M Gen - Computers & Industrial Engineering, 1998 - Elsevier

 ... Choose two cut points randomly and **swap** the genes ... layout design problem for flexible **manufacturing** systems and ... the neighbor search technique in **order** to find ...

[Cited by 16](#) - [Related Articles](#) - [Web Search](#)
[Utility and stability measures for agent-based dynamic scheduling of steel continuous casting - all 4 versions »](#)

 D Ouelhadj, PI Cowling, S Petrovic - Robotics and Automation, 2003. Proceedings. ICRA'03. IEEE ..., 2003 - [ieeexplore.ieee.org](#)

 ... may not be effective in a dynamic **manufacturing** environment where a ... first son the slabs in increasing **order** of their ... by two moves: shift move and **swap** move. ...

[Cited by 10](#) - [Related Articles](#) - [Web Search](#)
[Evolutionary algorithms for scheduling a flowshop **manufacturing** cell with sequence dependent family ... - all 2 versions »](#)

PM França, JND Gupta, AS Mendes, P Moscato, KJ ... - Computers & Industrial Engineering, 2005 - Elsevier

 ... the problem of scheduling a pure (flowshop) **manufacturing** cell with ... 9) and finally family 4 in the **order** (11, 10 ... Each time a **swap** or an insert move improves the ...

[Cited by 7](#) - [Related Articles](#) - [Web Search](#)
[... routine analysis for the quantitative comparison of conventional and flexible **manufacturing** - all 2 versions »](#)

HP Wiendahl, U Dombrowski - The International Journal of Advanced Manufacturing ..., 1987 - Springer

 ... The ability to **swap** routines shows the ability of ... conven- tional and also proposed future flexible **manufacturing**. The weighted order lead time for the actual ...
